#### CLASS HISTORY

#### AND

#### PROPHECY

Ours is the good ship SENIOR which we have built and cared for through the years. The keer was laid in 1955, when GiGr entered the school as a seventh grader. The framework of the ship was built in 1957, when Hank and Susie entered as Freshmen. The three cabins came in 1959, with the addition of Tag Bullet, and Hardie. And at the beginning of the 1960-61 school year, the most was added by Juan. Our voyages have taken us through many adventures, and we will be sorry to see our faithful ship dismanted this Summer. However, sailors have a saying "When the Sea gets in your blood, you can never change." It is so with us. Our ship is too closely built to forget....

GiGi Watkins will become the top star in T.V. commercials.

Hardie Johnson will win the Driver's Championship at the age of 21,

Elliot Brown will have a private showing at the Guggenheim Museum.

Susan Brown famous singing celebrity, will be the first woman to sall pround the world alone.

Hank Keens will teach Chemistry 103 at F.S.U.

Joe Keesling will drive a wrecker.

Sus e Krave will be the first American Member of the Bolshoi Baret Company

Miss Mae Carden

Miss Mae Carden's Language Arts Program was introduced into the curriculum of the Lower and Middle Schools of the Polm Beach Private School two years ago, 1959-60, by the Headmaster. The method teaches children to read by using the phonetic system. Miss Carden began her work thirty years ago in her revolt against progressive education.

Miss Carden usually visits the School twice a year for consultation, and for an evaluation of the progress anticipated. We sincerely feel we have a friend interested in our thinking and reading.

Our best wishes to you, Miss Mae Carden, for the continued success of your crusade.
